

# ZENITH BANQUET FOR EAA 2014

Thank you for coming to the 2014 Zenith Builders Banquet! Our event will once again be held at the Oshkosh Elks Lodge, 175 West Fernau Ave, in Oshkosh, on Friday, August 1st. A map is displayed below. We have very comfortable seating for over 250 people, our own private bar, award winning food, and lots of great door prizes from aircraft related companies including a headset from David Clark as a grand prize! The full bar will open at 5:30 PM for people that would like to come and relax early. Dinner starts at 7:30 PM. Tickets are available for \$20 per person at the Zenith display on the convention grounds. You can also PayPal your tickets to [backstagelive@gmail.com](mailto:backstagelive@gmail.com) and pick your tickets up at the will-call desk at the banquet. On the menu this year will be the Elks Lodge specialty, Pineapple Rum Glazed Ham and Broasted Chicken with all the trimmings. There will be a very special surprise dessert so make sure you bring your camera!

## EAA Zenith Showplane Parking

Zenith showplane parking will be just north of the Homebuilders center on the flight line in its usual place across from the Zenith factory display. Please place a sign in your window indicating "HOMEBUILT PARKING - ZENITH." When they get near the parking area flagmen will help get you to the location requested. Once your aircraft is parked, EAA's policy is no engine operations in the parking area and the aircraft will need to be pushed to the east of the safety line for engine start. If you are anticipating demonstrating or flying any of the aircraft during the convention, park your aircraft as close to the flightline as you can.

## Accommodations

The Oshkosh Elks Lodge has a very large parking area and they are offering motor home parking for \$20 per night for anyone coming to the banquet before coming to the EAA. If you would like to park your camping vehicle at the Elks for any number of nights, please call me at 920-237-1450 or E-mail me at [backstagelive@gmail.com](mailto:backstagelive@gmail.com) to make reservations. Electrical spots are available on a first come basis.

## Directions

The Elks Lodge is very easy to find! If you are taking Highway 41 north, take the Highway 44 exit, which is the same as South Park Ave. If you are coming from the EAA, follow the flagman out of the grounds and turn right on South Park Ave. Follow South Park NE and turn left on Oregon St. Follow Oregon St. north to Fernau Ave. and turn right. The Elks Lodge is just 100 yards from the corner on the right hand side. There is ample free parking in both lots at the Elks. If the lots are full, there is free parking on both sides of the street in front of the Elks. Large motor homes and campers that are not spending the night must park on the street.

Date	Time	Title	Venue	Presenter	Type
Wed 7/30	8:30 AM - 9:45 AM	Zenith 750	Forum 8 in the Forums Plaza	Sebastien Heintz	Forum

Fri 8/1	Cocktails 5:30 Dinner 7:30	Builders Banquet	Oshkosh Elks Lodge	Zenith Company	Banquet

The goal is to completely construct and taxi test a Zenith 750 by the end of the weeklong event beginning on July 28 and continuing through completion or the event's final day on August 3. The One Week Wonder project will show thousands of people exactly how an airplane goes together from start to finish, with the Zenith kit arriving at Oshkosh just as any builder would receive it. In the One Week Wonder display area, which will be located near the EAA Welcome Center in the main crossroads of the AirVenture grounds, visitors will find interactive displays that highlight the aircraft construction process.
