

ZENITH BANQUET FOR 2023

Here is everything you will need for the 2023 Zenith Builders Banquet on Thursday, July 27th, 2023. Our event will be held at the Mineshaft, 2041 S Koeller St, Oshkosh, WI. The map is displayed below. We have very comfortable seating for over 200 people, an incredible bar, great food, and the location is walking distance west of the east-west runway! The bar will open at 5:30 PM for people that would like to come relax and talk shop early. Dinner starts at 7:00 PM. Tickets are available for \$20 per person at the door by cash, check, or credit card. Banquet information is also available at the Zenith display. No need for reservations! Just come, relax, and enjoy the great food and celebrate building one of the best aircraft kits on the market. There is a large amount of parking suitable for trailers and motor homes if needed and it's free. Transportation to and from the field is listed below.

Zenith Showplane Parking is once again available. When flying into Oshkosh, make sure you follow the Air Venture FAA NOTAM. The free booklet is an absolute must if you're flying an aircraft to Oshkosh. It outlines all arrival/departure procedures, radio frequencies, Wittman Regional Airport details, and much more. Download this NOTAM at www.eaa.org. Parking personnel are knowledgeable on aircraft types and will direct you to the Zenith parking. To make sure you are directed correctly it wouldn't hurt if you printed ZENITH on a piece of typing paper and flash it to the parking volunteer.

Homebuilts in Review Airshow

MINESHAFT TRANSPORTATION

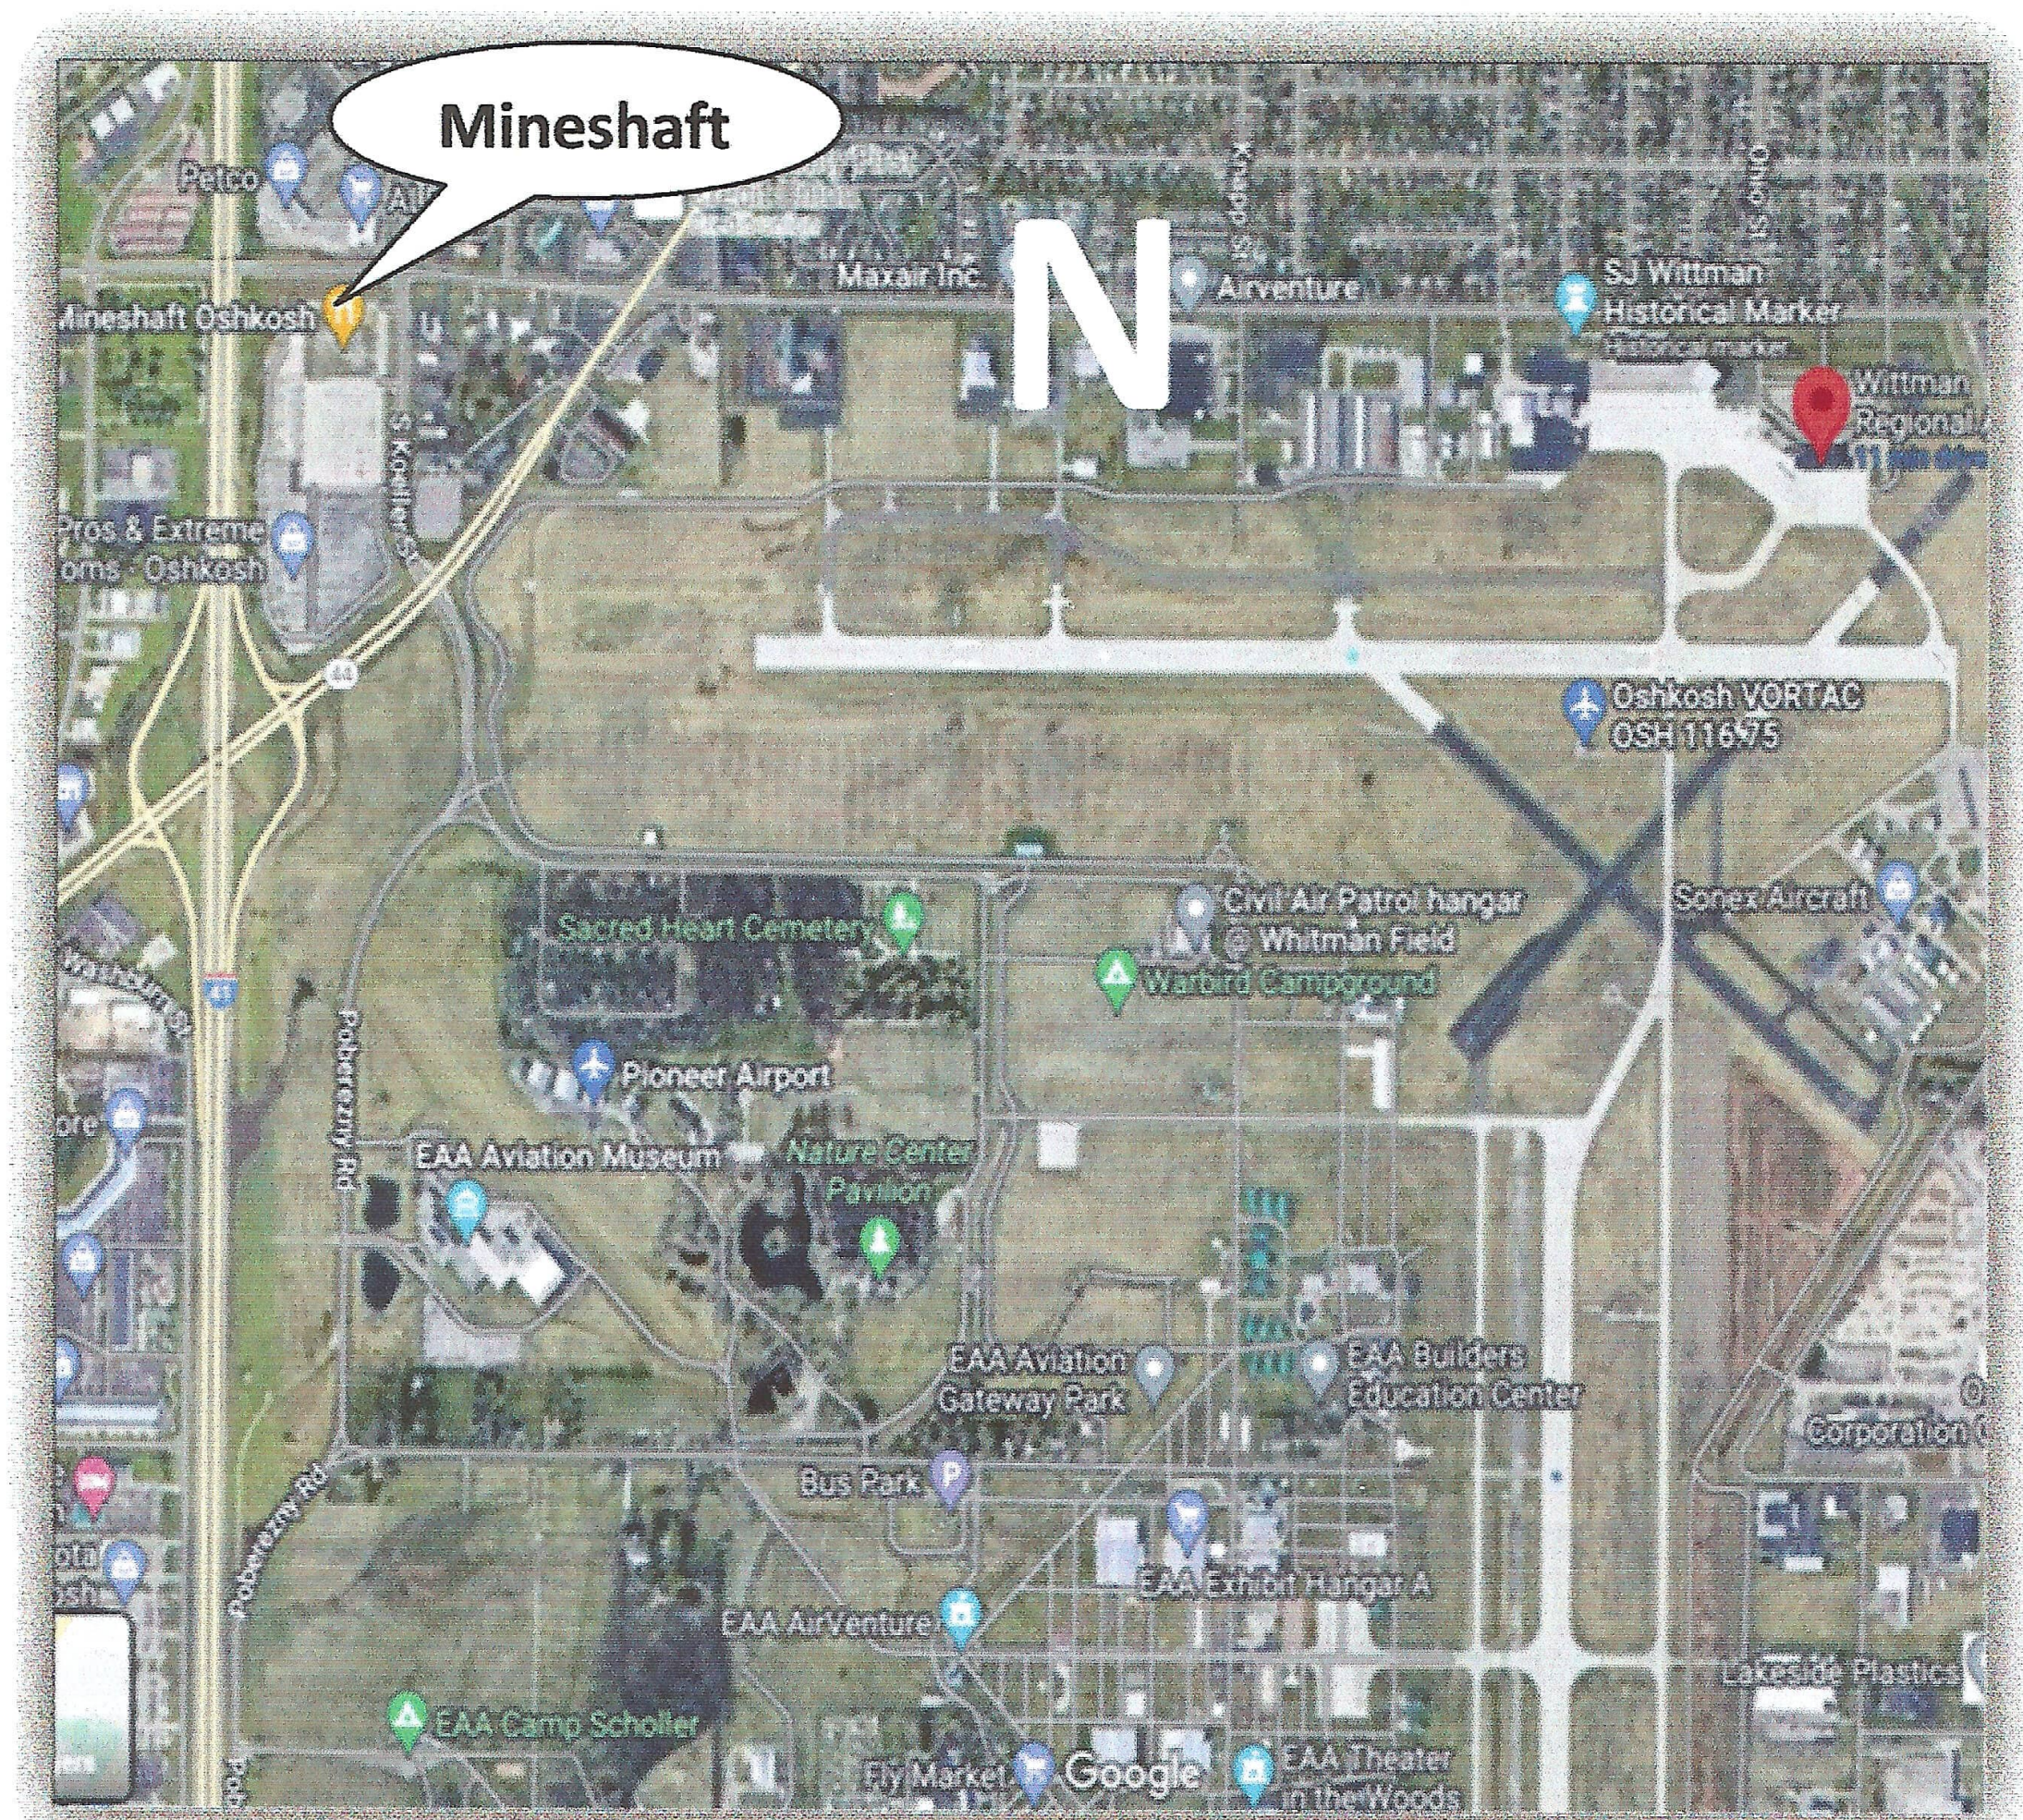

If you are driving, set your GPS to 2041 S Koeller St, Oshkosh, WI. There is a huge parking lot, more than enough room if you are coming by camper or motor home.

UBER and CAB are available on the field. For private cab service call (920) 350-8886 or 920-509-9826

North 40 EAA Bus is your best option if you want free transportation from the field. Look at the attached city bus schedule and look for the Back 40 bus. This bus picks up near the Warbird area and runs a regular / late schedule. Take the bus to the Hilton exit and walk across the street west to the Mineshaft.

The fastest and easiest way to get to the party is to drive your own car from the field. There is a huge amount of parking available and you are only minutes from the party even in Airshow traffic!

And as always, you can call Joe Scheibinger, your personal Oshkosh Zenith representative if you have any problems or questions at 920-237-1450. Have a safe trip and see you soon!

More Information? Call 920-237-1450
